

# Corrections

From: "Kit Spring" <springca@charter.net>

To: <sylvia@springboardtraining.com>

Subject: MI Dept of Corrections MAP Keynote 10/6

---

You were a success and your message was well-received. Don said you were right on target with what people needed to hear and that you had obviously done your homework.

I heard you had dinner with Pat Caruso, MDOC Director.

I hope the trip was worth your time and that it will bring you more business. We will give you a plug on our webinar.
