Dear Sylvia:

On behalf of the Potomac Chapter of Meeting Professionals International, the event sponsors, and the Curriculum Development Committee, please accept our sincere thanks for presenting the seminar *Hear Me Roar: Present with Power!* A very contented group left the meeting with rave reviews about your session.

We believe that the seminar was very productive and more than fulfilled its goals. Your expertise, energy, and participatory activities were well received. Your efforts to personalize the topic by using examples relating to the meetings industry was also appreciated.

Thank you again for your enthusiastic participation and contribution to a very successful event. I hope we will have the opportunity to cross paths in the near future.

Best personal regards,
