Dear Sylvia,

On behalf of the RYLA Conference Committee I wish to express out sincere appreciation for the excellent work you did as the workshop trainer at this year's Conference held at Camp Letts, Maryland on February, 16-19.

Your enthusiasm, professionalism and attention to detail were indeed notable. Further, although it is my understanding that most of your prior experience as a workshop trainer has been with adults, your capacity to adapt your presentations to the interests and attention span of our youthful participants was quite impressive. Attesting to this were the uniformly high final ratings for the total conference given by the youth. This, I believe, was in no small part the result of the excellence of your presentations.

In closing, may I say that it was indeed a pleasure having had you as an integral part of the conference staff? I, for one, would look forward with anticipation, to have the opportunity to work with you again.

Sincerely,

W. R. Cozens, Ph.D., MBA  
RYLA-2001 Conference Co-Chair

cc: Gloria Vanderhorst
