Dear Sylvia:

On behalf of the American Society of Association Executives (ASAE) thank you for your commitment to ASAE West held recently at the Century Plaza Hotel & Spa in Los Angeles. The meeting was a great success and much of this is due to your participation as a speaker.

Final conference registrations totaled 101. We are quite pleased with this result, and believe that partnering with CalSAE's showcase had a great deal to do with the "extra" attendance at the Monday afternoon sessions. We also noted that participants from SLF attended some sessions on Monday afternoon, as well. We may have come as close as possible to offering something for everyone!

It was a pleasure working with you, and I especially appreciate your flexibility in providing ASAE with your professional services. If you have any questions, please do not hesitate to call me at (202) 626-2761. Hope to see you at ASAE Denver 2002!

Sincerely,
